Eligible students are advised to complete their registration in accordance with DIU examination rules by **12 May 2026**.

Registration	10 -12 May, 2026
Examination	From 17 May, 2026

Exam Committee  
Dept. of EEE, DIU

Head  
Dept. of EEE, DIU

## **Please read the instruction sets for the improvement/overlap exam**

### **Requirements for improvement:**

1. The grade for a specific course should be **equal or less than B**.
2. No students will be allowed for improvement who have been expelled by the exam committee during final exam. Students need to retake this course again.
3. Students should fill up the form (forms are available at the EEE office) and then pay 60% of tuition fee for a specific theory course.

### **Requirements for overlap:**

1. Due to overlap with other courses final exam, students can sit for overlap exam without pay.
2. Students should fill up the form (forms are available at the EEE office)

### **Instructions for course teacher**

1. Please examine the documents and check results from the ERP system before signing the permission form.
2. For improvement, check payment status first, then provide the permission.
3. Please be concern about the students who have been expelled by the exam committee during final exam.

**\*\*For any issues other than improvement/overlap, course teachers are requested to instruct the students to apply to the department with proper documentation. The respective course teacher will verify and then recommend the application for further approval by the department.**
