

# **Daffodil International University**

## **Faculty of Science and Technology**

### **Department of Software Engineering**

#### **Notice for Overlap/Missed Examination (Mid-Term Summer 2026)**

Students of the Department of Software Engineering are hereby informed that the Overlap Examination for the Mid-Term Summer 2026 Semester will be conducted according to the main examination routine. Students are advised to check the Mid-Term Examination Schedule carefully.

Students who have overlap examinations must submit an application to their respective Advisor/Mentor by **30 June 2026**, duly signed by the teachers of both overlapping courses.

#### **Please note:**

- Two examinations scheduled on the same day but in different time slots will not be considered as an overlap examination.
- Three examinations scheduled on the same day but in different time slots will not be considered as an overlap examination.
- The schedule of the Overlap Examination will be published on the Department Notice Board after the application submission deadline and review process.

No student will be allowed to sit for an overlap examination without submitting a valid application. Any application found to be false or misleading will result in the rejection of the student's answer script by the Examination Committee.

Students are requested to regularly check the **Department Notice Board** for updates regarding the Overlap Examination Schedule.

#### **Special Case (Applicable for Midterm and Final Examinations):**

If a student is unable to attend a Midterm Examination for any valid reason, **they must an email their Academic Mentor/Advisor with supporting documents as evidence**. The request will be reviewed, and the student will be notified whether the application is approved or rejected. Students are advised to wait for official confirmation before taking any further action.
