Department of Software Engineering

Notice for Overlap/Missed Final Examination (Summer 2026)

Overlap Examination:

Students of the Department of Software Engineering are hereby informed that **only examinations for multiple courses scheduled in the same examination time slot will be considered as overlap examinations.**

Please note that **back-to-back examinations or examinations scheduled on the same day in different time slots will not be considered as overlap examinations.**

Students who need to apply for an overlap examination must follow the procedure below:

- Collect the **Overlap Examination Form** from the Department.
- Fill in the required information and obtain the **signatures of the respective course teachers.**
- Submit the duly completed and signed form to the respective **Academic Advisor** within the specified deadline.

Overlap Examination Application Deadline: 17 August 2026

Students are strongly advised to submit all applications within the stipulated time. **No application will be accepted after the respective deadline.**

Missed Examination:

Students who are **unable to attend an examination due to illness and were not admitted to a hospital** must submit a **written application along with valid supporting documents** to their respective **Academic Advisor** **within 3 days of the missed examination date.**

The application should clearly mention the reason for missing the examination and must be supported by relevant documents. **Applications submitted after the specified three-day period will not be accepted.**
