NOTICE

Notice on Exam Clearance and Dues Application

All students of the Department of Electrical and Electronic Engineering are hereby informed that they are required to collect their Exam Clearance by 17-August (Monday).

Students are also instructed to complete all necessary procedures related to their dues application and other approval process within 17-August to ensure timely completion of the examination clearance process. Everyone must need to complete their **Teaching Evaluation** before collecting the Exam Clearance.

Without Exam Clearance, no student will be permitted to sit for the Final Examination.

All concerned students are requested to comply accordingly.
